#### **Catering**

Do you want to be the volunteer who puts a smile on the faces of all the other volunteers, crew members and festival guests? As a catering assistant, you will make sure that no one goes hungry or thirsty and that everyone is provided with packed lunches and dinner. You check whether everyone's needs are in line with the supplies and jump in if necessary. Is there still enough food and drink and is everyone provided for? This means that your tasks range from shopping to making sandwiches and from keeping stock to supporting the dinner buffet; you can be deployed anywhere.

- Caring
- Happy when you can make other people happy
- Enthusiastic and friendly, social and open

**Working Hours: During the festival, mainly in the morning and afternoon/evening**
