### **Text editing/video editing/photographer**

You know exactly how to capture the atmosphere of Go Short in photos, you make the best videos or you write the best stories. You have good eyes and ears and like to blend in with the festival visitors. There's nothing you don't see, you're daring and not afraid of anything. You are responsible for entertaining, lively commentary on the festival and are engaged and motivated. Did we just describe you? Then apply to the festival's text editors! Do you take the best photos? Then sign up as a photographer. Can you edit film, sound and text into a great video? Then sign up as a video editor. As an editor you will experience the festival up close. You develop assertiveness and creativity. You learn to seize opportunities for the best photos or videos and write the best stories

#### **You:**

- Have experience as a videographer, photographer and/or editor
- Knows how to use a camera or is a great copywriter
- Can work well autonomously

Please note that there is a selection for this feature, following your submission. Is photography or filming more than a hobby for you? Then fill out the application form and send your CV, motivation and portfolio to [vrijwilligers@goshort.nl](mailto:vrijwilligers@goshort.nl). Some experience is required. Because we use a selection process, we encourage you to apply for other positions as well. Having a camera is a plus but not required.

**Working hours: during the festival, usually in the afternoon and evening.**

### **Decoration**

Go Short is characterized by a unique corporate identity that is used throughout the dressing of the festival returns. For this we are looking for creative people to help with the decoration of the festival grounds. Think of making photo walls, hanging up posters, blowing up balloons, putting up stickers, etc. Does this sound like fun to you? Then you are the perfect addition to this team!

#### **You are:**

- Good with scissors and glue
- Someone with an eye for detail
- Able to create something from nothing

**Working hours: during the week before the festival and the first two days of the festival. The position can/is often combined with other positions during the festival.**
